

STAND UP FOR WORKER PRIVACY

**CONTACT YOUR CONGRESSMAN AND SENATORS TODAY.
TELL THEM YOU OPPOSE CARD CHECK.**

Right now, when workers vote on whether to join a union they use a secret ballot. Just like the one we all use when choose our President and Members of Congress.

But there's a bill in Congress being pushed by the nation's labor unions that would eliminate the secret ballot and replace it with a card check scheme where the votes of workers would be made public to their employers, co-workers and union organizers. The labor bosses are fighting hard for card check because without the protections provided by the secret ballot they will be able to pressure more workers into joining their unions.

It's wrong. Contact your Congressman and Senator today. Tell them to stand up for worker privacy.

Visit our Web site to learn more about how you can stop Big Labor's anti-worker card check agenda.
